DICKERSON TO JOIN OPTIMAL IDM IDENTITY MANAGEMENT PRACTICE

Providing Global Expert Identity Management Consulting

LAND O'LAKES, FL - (SEPTEMBER 18, 2006): Optimal IdM LLC., a leading provider of identity management and user provisioning solutions, is pleased to announce that Nada Dickerson has joined the firm's Identity Management Practice as a Senior Identity Management Architect. In addition, Dickerson will lead the development and product engineering group of sister company Optimal IdM Software, LLC.

Dickerson brings to Optimal IdM over 9 years of experience architecting, designing, developing and deploying identity management solutions for Fortune 500 companies across the globe, having worked for a leading identity management specialty company as well as providing independent identity management consulting services. She is recognized by her clients as the

best and most proficient identity management architect across the board.

"Nada is a favorite among ALL of her clients. She has the keen ability to quickly understand a client's needs and design a solution that best fits their direction. This addition to the team places Optimal IdM far above others in the identity management consulting space," stated Michael Brengs, Managing Partner of Optimal IdM.

Nada worked for over 7 years at OpenNetwork Technologies (acquired by BMC in 2005), where she served as a Senior Identity Management Architect.

"Nada has the outstanding ability to help solve customers' complex identity management issues on a daily basis. Her reputation in the industry is truly unprecedented. We are very fortunate to have Nada on our team as we excel in the identity management market," stated John Maring, Managing Partner of Optimal IdM.

Dickerson has a Bachelor of Science degree in Computer Science from Virginia Tech.
